Dear Parents

This has been a week when we have really celebrated the work of our schools and all those who work for and study in them.

The week began with Education Sunday Mass at both Parish Churches. Education Sunday is an opportunity for schools and parishes to come together to celebrate and give thanks for all the students, staff and parents who work so hard in and for Catholic schools. It is also a chance for us to reflect upon the contribution that Catholic education makes to our communities.

It was a wonderful celebration and the children who took part in the liturgy from the school were a credit. I'm grateful to Mr Dunne from SJBC for providing the refreshments and opening his school for the Parish.

I was then fortunate enough to take some children from both schools to the start of the year Mass at St Georges Cathedral. Archbishop Peter Smith celebrated Mass and the work of the Diocese schools.

Deacon Michael took the afternoon off from Archbishops House to join us and once again the children were brilliant. I think the highlight for them were the biscuits in Amigo Hall.

Federation Mass Sacred Heart Church on 26th September at 10:00 am

The next big occasion will be the Federation Schools Mass on Wednesday 26th when both schools will come together to celebrate the start of the year and make a commitment to building a Catholic learning community. Parents are welcome to join us at Mass.

The Wednesday Word

The Wednesday Word is back and so is the competition! Please read the WW together, complete the activities and bring back to school to your child's teacher. Your child will be entered into the prize draw. The WW helps prepare for the Gospel on Sunday and the Assembly on Monday.

This week's word is.... JESUS

Book Fair

Thank you to the parents who have supported the Book Fair. Please understand that for every book that is sold the school gets a voucher to buy new books for the class libraries. We are not just promoting reading but supporting the school financially so - a **Big Thank You!!**

The book shed should be open every start and end of the day. When you have finished a book perhaps donate it to the shed and help yourself to another. If it is not open please nag Roger!

After School Clubs

School feels like it is back in full swing when the Out of hours clubs start. It is great for them, up in action and children enjoying all the extra opportunities. Please try to make sure you have looked at the list and talked through with your child. We are still working with Battersea Gymnastics and D.R.A.M.A at the weekends if you are interested in those organisations.

Secondary Transfer meeting 26th September 6pm School Hall

This is a meeting for Y6 parents to support them with the secondary transfer process. Deacon Michael and at least one Secondary School representative will be in attendance. In the meantime I have started meeting individually with parents who want my advice, please make appointments through the office. Also, please try to visit as many schools as you can over the coming weeks.

My Monster

Once there was a monster,
His name was Scruffy,
He lived under my bed,
And he was very fluffy.
He liked to give hugs to everyone,
And play, laugh, and have lots of fun,
When I got upset, and my eyes went all puffy,
I would always get the biggest hug from my
Scruffy.
