Associate Head Mrs. Nicola Byrne

PE/Sports Premium 2017-2018
(including Autumn term 2018)

The government is providing additional, ring fenced, funding towards the provision of PE and sport in schools. This funding is being jointly provided by the Department for Education, Health, Culture, Media and Sport and will see the money going directly to schools, to be spent on improving the quality of sport and PE for all their children. All state maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils will receive the funding.

The funding is ring fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish online information about how we have used the additional funding including details about our sporting provision, alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the sporting provision at Sacred Heart.

Sacred Heart will receive approximately **£11,900**

We are using our PE/Sport Premium in the following ways:

- Paying for specialist PE staff to deliver PE and Sport. This helps to upskill the class teachers and support staff, therefore, sustaining a high standard of delivery throughout the school and ensuring this standard remains, should the funding ever cease to be available.
- Providing qualified staff to deliver an extensive extra-curricular sports programme.
- Starting up new initiatives to help combat Obesity, such as Marathon Kids and the Enable 10,000 mile challenge. Our Running Club and Inter Class competitions are a huge success.
- Paying our entry fees into competitions and leagues to help the children experience sport in a competitive environment.
- Paying for professional coaches to deliver Yoga, Gymnastics, Dance, Cricket & Swimming to Hillary House our ASD base.
- Paying for additional part time PE staff to improve the ratios in lessons and bring their unique skills to our extra curricular programme.
- Paying for the CPD of staff to ensure the very highest standards of teaching is delivered cross a broad range of activities.
- Paying to hire supply teachers so that PE staff can be released to attend fixtures/tournaments where necessary.

- Helping with the cost of hosting annual tournaments and leagues for local schools. This includes the Battersea Netball League, the Battersea Girls Football Tournament and the Battersea Boys Football League.
- Offering FREE places on after-school clubs to Pupil Premium children.
- Ensuring that school sport is regularly promoted in the school newsletter and on the school Twitter account.
- Purchasing new sports equipment to help with fundamental skills in Early Years and KS1.
- Maintaining the sports facilities, post covers, line markings etc.
- Paying for the hire of Battersea Park Athletics Track for our annual Sports Day.
- Helping towards funding sports trips, such as London Lions Basketball matches and the Netball World Cup.
- Training groups of students to become Junior Sports Leaders and purchasing uniform so they can be identified in the playground.

Impact of Funding:

- Increased participation in sports clubs. Number of children attending has increased, as well as the number of clubs on offer. We currently offer clubs in the following sports: Gymnastics, Football, Basketball, Netball, Girls Football, Cross Country/Running, Athletics, Tennis, Tag Rugby, Cricket, Hockey, Swimming and Multi-Sports. In addition to the Leadership Programme.
- Quality PE lessons from Nursery – Year 6 led by specialist PE staff, focussing on the fundamental skills that can be transferred in to all sports.
- Sacred Heart continue to organise the Battersea Schools Netball and Football Leagues in 2018/19, both of which were a huge success and involved eight local schools. Sacred Heart took the silver medal in the football and bronze in the netball. In addition, we held a girls football tournament to increase participation amongst girls in football, as well as a 'B' and 'C' tournament to allow more students to take part and help towards gaining a GOLD standard in the School Games Mark.
- Increased participation in competitions. We are able to attend more competitions with the use of the PE Premium; such as Sportshall Athletics, Football, Cricket, Netball, Tag Rugby, Cross Country, Basketball, Tennis, Track & Field, Swimming, Water Polo, Penathlon and Boccia. Having these opportunities through the PE Premium Funding has had a huge impact on the schools results.
- Increased performance in competitions. In 2017/18 we were rewarded with the following results as an impact of these opportunities:

Battersea Schools Athletics Champions
 Wandsworth Schools Athletics Silver Medalists both Y3/4 & Y5/6
 Catholic Schools Athletics Silver Medalists
 Wandsworth Schools Gymnastics Bronze Medalists
