

Y4 CELEBRATION OF THE WORD

We came together on Wednesday for the Year 4 Celebration of the Word.

Everyone listened closely to Deacon Michael, responding thoughtfully and respectfully. It was clear that Year 4 had prepared with dedication, making the celebration both meaningful and inspiring.

Deacon Michael spoke of Lent being an opportunity to say sorry for the things we shouldn't have done, to listen to Pope Leo's message to abstain from using words that wound or hurt our neighbour during Lent.

THE WEDNESDAY WORDS ARE...

GOD'S LOVE

"God's love is a spring of living water which flows constantly into the hearts of those who pray." - St Louis de Montfort

PE LESSONS: FOOTBALL

Year 5 had a fantastic time with Miss Ormonde playing football. They practiced lots of football skills, including dribbling, passing, shooting, and defending.

Everyone was really focused but also having fun, improving their teamwork and coordination. After the training session, they split into teams and played two exciting games of 7-a-side football.

NETBALL TOURNAMENT

A fantastic group of Sacred Heart pupils attended a Netball tournament on Wednesday. They all represented the school wonderfully, bringing home a Silver Medal.

Amyiah-Rose and William were the Most Valueable Player's of the match.

Congratulations!

SEWING GROUP

A group of pupils from Sacred Heart have recently begun participating in a sewing group through the Charity TimeGivers. TimeGivers say their vision is wanting a "world where all young people have access to enriching volunteering opportunities to help them and their communities grow." Through this initiative, the children are developing patience, creativity, and attention to detail while learning the practical art of sewing. The items they carefully design and create by hand will be donated to those in need, allowing pupils to contribute positively to the community and support those in need.

CLIMBING FRAME FUNDRAISER

On behalf of Sacred Heart, we would like to say a huge thank you to everyone who donated to our fundraiser for the new climbing frame in the KS1 playground. We are delighted to share that we have now exceeded our target amount and are incredibly grateful for your generosity and the continued support of our wonderful school community.

If you would still like to contribute, our JustGiving page will remain live until the end of this week. Please follow the link below or scan the QR code to make a donation.

Thank you once again for your support!

NEW GATES!

The staff of Sacred Heart are delighted to confirm that the installation of the new gates has now been successfully completed.

We would like to extend our sincere gratitude to the Diocese for its generous contribution of £120,000 towards this project. As is customary with projects of this nature, the school is required to contribute approximately 10% of the total cost. We have carefully budgeted for this contribution over the course of the year to ensure the project's successful delivery.

Parent Carer Survey Spring Term - we'd love to hear your views again

Feedback needed from all parents and carers at your school to help to improve inclusion. We asked for parent views in the autumn term and are asking again (for the final time) what parents and carers feel about inclusion, so we can monitor any changes.

Please complete the survey by clicking [here](#) or scanning the QR Code with your phone camera:

Dear Parents and Carers,

Your school is participating in the Partnership for Inclusion of Neurodiversity in Schools (PINS) programme, which aims to improve the experience of mainstream school for children who may have an additional special educational need or disability.

What can you do to help?

We asked for parent views in the autumn term and we would like to thank you all for your responses. We are asking again (for the final time) what parents and carers feel about inclusion, so we can monitor any changes. We would be very grateful if you could fill out the survey again or for the first time. It is for **all** parents and carers of children attending the school. If you have more than one child attending the school, you can complete one survey for each child. The survey will stay open until 31st March 2026

The survey is anonymous. You can leave your name and contact details if you would like to hear from the parent carer forum (the names and contact details of responders will not be shared with the school).

Click the link to complete the survey, scan the QR code with your phone camera or contact us on 07421451870 if you need help with accessing the survey.

You can scan this QR Code with your phone camera, if you prefer:

How will this help me and my child? As with the first survey, the results will be collated and themes will be shared with the Schools Leadership Team.

What happens after that? We will be hosting a final Parent Carer coffee morning at your school in February or March to help parents to meet and form a network - details to follow shortly.

We hope to meet you soon and thank you so much for your help with this project.

Best Regards,

The PINS Team, SEND Parent Carers in Wandsworth - Wandsworth's Parent Carer Forum
